

THE *SUPER* SERVICE SAILOR

MWR has enlisted the help of the **Super Service Sailor "SSS"** to recognize outstanding customer experiences in Morale, Welfare & Recreation programs at Dahlgren.

The **SSS** is always on the lookout for MWR employees and services that raise the bar in terms of customer service, creativity, value and memorability for customers.

Your help is needed to guide the **SSS** to the programs that should be recognized.

MWR customers and employees alike are invited to vote, at any time, for an MWR program that has earned special recognition from the **SSS**. Votes should be submitted to MWR Director, and may be contributed by way of MWR suggestion boxes, or telephone voting by calling 540-653-7777.

Each month, the MWR program that has been most recognized for outstanding service will earn a month long visit from the **Super Service Sailor!**

The **SSS** is actually a plaque that will hang in that MWR program's facility all month long to signify the special accomplishment.

Thank you for helping to be on the lookout for great service and great program offerings!
